

Rooted in Faith. Rooted in Beauty.

The Bishop's Ranch is not simply a destination. It is part of our shared story as a Diocese. For nearly a century, The Ranch has offered sacred space where clergy, parishes, youth, families, and seekers step away, breathe deeply, and return rooted in faith, in community, and in the beauty of God's creation.

Just 90 minutes north, 365 acres of oak woodland, open sky, and expansive vistas hold space for retreat, renewal, learning, celebration, and rest. The Ranch serves more than 6,000 guests each year, including summer campers, parish retreats, diocesan gatherings, nonprofit partners, and families marking life's sacred moments.

The Mission of The Bishop's Ranch is to share a place of rare beauty through hospitality that nourishes spirit, mind, and body.

This is our place. And together, we sustain it.

Rooted Together

The Bishop's Ranch is a self-sustaining nonprofit ministry of the Episcopal Diocese of California and belongs to all of us. Clergy and lay leaders, lifelong Episcopalians and new seekers, every parish and every generation.

Each week, it takes approximately \$60,000 to care for the land, buildings, and staff that offer the radical hospitality for which The Ranch is known.

Guest fees cover about 70 % of our expenses. The Annual Fund makes up the difference. Annual Fund gifts close the gap between revenue and expenses and ensure that The Ranch remains accessible, financially strong, and rooted for generations to come.

Your gift helps:

- Care for 365 acres of sacred land
- Maintain and improve retreat facilities
 - Support year-round staff
 - Provide program support
 - Sustain diocesan gatherings

Because of you, The Ranch remains a place where lives are changed.
