MESSAGE FROM THE DEAN

Dear Friends,

Every year thousands of people find themselves drawn to Grace Cathedral in person and online.

They know that during tumultuous times they will find a connection to what is most sacred and they will meet others who feel that same call from God.

Our stewardship theme, **Thriving Together**, expresses our desire to build a community which values the contributions and offerings of every person. In worship, learning, service, music, and prayer, we become living signs of God’s love in the world.

Our stewardship pledges arise out of our faith and sense of belonging. It is a tangible way to support the ministries of Grace Cathedral and to share in God’s work of love, justice, and compassion. Our gifts help our community grow stronger so that, together, we thrive.

Love,  

The Very Rev. Dr. Malcolm Clemens Young  
Dean of Grace Cathedral

Malcolm Young marked his 10th anniversary as Dean of Grace Cathedral on Michaelmas, September 28, 2025.

2027 GOAL

THRIVING generosity  
Why are churches always asking for money?

*“The first reason is that you need it. It helps us be complete and fully human. Giving is how we experience ourselves as we were made to be. The second is that the cathedral needs it. We give for the sake of this cathedral so that authentic spiritual community can be possible here.”*  
– The Rev. Dr. Malcolm Clemens Young

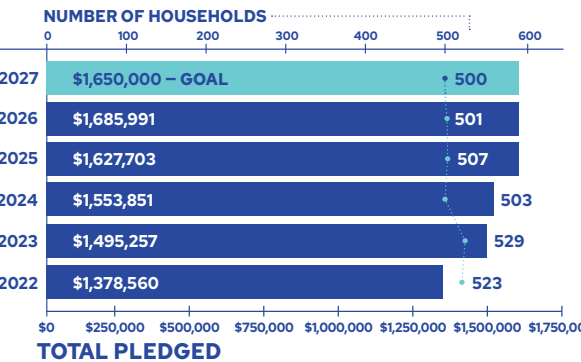

Stewardship pledging is more than supporting a budget, it is a spiritual practice. By making a pledge, we give intentionally, grow in faith, and strengthen the ministries that offer hope, beauty, compassion, and community.

Every pledge makes our ministry possible.

Please return your pledge card or make your 2027 pledge online at [gracecathedral.org/stewardship](https://gracecathedral.org/stewardship). We invite you to make your pledge by **Ingathering on November 15**, when we will celebrate our pledges together.
